

# ***IMMIGRATION: THE COMMON STORY***

**Selichot program & service**

**Saturday, September 21<sup>st</sup>**

**8pm at Temple Beth-El**

This year for Selichot we learn about immigrants as individuals rather than as an issue. We will listen to stories and focus on personal challenges and triumphs. Our society tends to lose sight of individuals when we turn people into issues. Immigrants, (members of our own families or members of our community) have stories that can help us focus on our journeys at this time of year for often times the stories speak more to our own experiences than we may realize.

Come hear and share the “Common Story.”
